Area Coordinators as Your Local Layer of Support for Your Missionary Outreach

In our last newsletter we shared the Three **layers of support** for you and your missionary efforts: National Media Missionary Office, Regional Marketing Managers, and Local Diocesan Area Coordinators (AC). In this Fall Edition, we focus on the critical **layer of support** available to you in your local Diocesan Area Coordinator. Area Coordinators, volunteers just like you, are vital links between you, your diocese, and Regional Manager.

I invite you to prayerfully and thoroughly read over the excellent, informative article in this issue: *EWTN Area Coordinators Are Your Most "Local" Resource*. You will see how they are your closest **layer of support,** coordination, and planning for outreach. Discover or deepen your knowledge about who they are, what they do, and how you can work together in unity to promote evangelization in your parish, diocese, and beyond!

We want you to be well informed and to utilize every **layer of support** available to you as you share the Good News of Christ and His Church. Our evangelistic efforts are done in intentional unity with other dedicated Media Missionaries and **layers of support**!

Intentionally united with you for the salvation of souls and the renewal of His Church,

Sincerely in Christ,

Jim Pinto

WEBINAR

Your Most Important Local Resource, Your Area Coordinator! September 10, 8:00PM (ET)

You're officially invited to our Fall Webinar on Thursday, September 10 at 8:00 PM EST! Join us as we highlight one of your most important local support resources—your EWTN Area Coordinator. Your Area Coordinator may be serving right in your own diocese, and could even be working alongside you in the mission.

Not every diocese has an Area Coordinator, but when one is available, it is a wonderful blessing. During this webinar, you'll learn more about who Area Coordinators are, what they do, and how they can support you in your work as an EWTN Media Missionary. Your hosts for the evening will be Jim Pinto, Carlos, and John Paul.

Display This Season's Poster

Go to ewtnmissionaries.com to download and print this custom poster promoting the Archbishop Fulton J. Sheen Beatification. Post it wherever you have permission to display it and help us share this historic celebration with your community.

Join EWTN as we honor the Beatification of Archbishop Fulton J. Sheen, one of the greatest Catholic communicators of our time. Long before podcasts, livestreams, and social media, Archbishop Sheen recognized the power of modern media to proclaim the Gospel, inspiring generations of Catholic communicators, including Mother Angelica who went on to found EWTN. Experience this inspiring event through special programming, live coverage, and reflections celebrating his extraordinary legacy and enduring mission of evangelization. Watch on EWTN Television, EWTN+, or at ewtn.com. Contact our EWTN Media Missionaries office at 205-795-5771 if you cannot download the art and would like a poster to hang at your church. Be sure to fill in the blank space at the bottom with your local EWTN TV or Radio Station.

The Unknown St. Francis of Assisi EWTN Learn Series

EWTN Media Missionaries are invited to explore—and share—*The Unknown St. Francis of Assisi*, a new EWTN Learn series hosted by Teresa Tomeo and filmed on location throughout Italy. To learn more, simply scan the QR code or visit ewtn.com/saintfrancis/toolkit. There you'll find information about the video series, along with helpful resources you can share with your parish, Catholic organizations, family, and friends. As the Church celebrates the Jubilee Year of St. Francis, this series offers a fresh and engaging look at the life, faith, and lasting impact of one of the world's most beloved saints. Eight hundred years after his death, the witness of St. Francis continues to inspire us to live the Gospel with simplicity, joy, and courage.

Praying Together as EWTN Media Missionaries: On the first Friday of every month, we invite all Media Missionaries to join together in praying Mother Angelica's Prayer for EWTN (you'll find it in your Devotional Guide). It's a simple but powerful way to stay united in prayer, no matter where you are. Every Media Missionary receives the EWTN Missionary Devotional Guide, but if yours has been well-loved, misplaced, or worn out, just reach out—we're happy to send you a replacement!

EWTN Area Coordinators Are Your Most "Local" Resource!

Did you know there are EWTN Media Missionary volunteers—just like you—who have chosen to support fellow Media Missionaries within their diocese? These dedicated volunteers are often the people who know best what's happening in your parish, community, and diocese when it comes to the EWTN Media Missionary program. We call them EWTN Area Coordinators, and they serve as the closest line of support available to you through EWTN.

We are incredibly grateful for these volunteers because they help us stay connected and responsive to local needs. Area Coordinators work closely with your Regional Manager and diocese, helping everyone stay informed about current initiatives, challenges, and solutions.

In this newsletter, we'll take a closer look at the important role Area Coordinators play and how they can help you make the most of all the resources available to you!

As an EWTN Media Missionary, you don't have to do this work alone. Be sure to use all the resources available to support you in your efforts! While EWTN supports you at the national and regional levels, the diocesan level is where Area Coordinators can be especially helpful. Not every diocese currently has an Area Coordinator. Regional Managers interview and select Area Coordinators, so if you would like to know whether your diocese has one, please contact your Regional Manager for the most up-to-date contact information.

Your Area Coordinator can help by:

- Exchanging contact information and staying in regular communication with you
- Helping connect prospective Media Missionaries with your Regional Manager
- Promoting special EWTN event programming in your local area
- Maintaining a light inventory to assist you in parish and public engagement
- Communicating with local Catholic organizations
- Helping you think through parish or diocesan ideas for sharing EWTN
- Assisting with Media Missionary or parish gatherings for the spiritual benefit of local Media Missionaries, and parishioners

When it comes to EWTN materials for local events, parish outreach, or diocesan planning, your Area Coordinator should be one of your first contacts.

Your Area Coordinator is an important part of helping you stay connected, supported, and encouraged in your mission. There are currently 91 EWTN Area Coordinators serving across the United States and Canada. While the list changes from time to time, the following dioceses are currently blessed to have an Area Coordinator serving their local Media Missionary community:

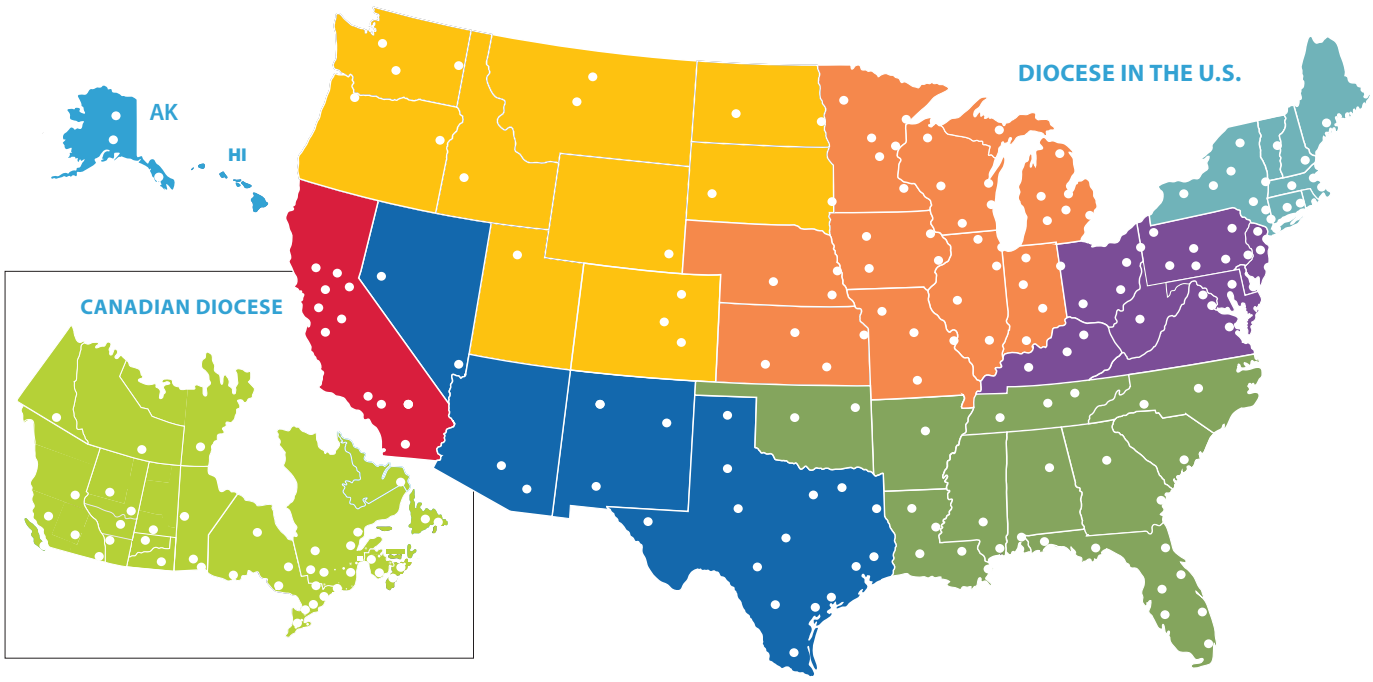
We want to extend our heartfelt gratitude to each of our Area Coordinators. Not only do you generously volunteer as EWTN Media Missionaries, but you also share your time, talents, and God-given gifts to support and encourage other Media Missionaries in your diocese. Your dedication makes a real difference, and we are deeply thankful for all that you do.

You may meet an Area Coordinator at a diocesan gathering, parish event, conference, or other Catholic event in your area. If you do, be sure to introduce yourself as a fellow Media Missionary! Area Coordinators have a deep understanding of their local diocese and can often connect you with resources, opportunities, and ideas that can strengthen your evangelization efforts.

If you feel called to serve in this way and are interested in becoming an Area Coordinator for your diocese, we encourage you to reach out to your Regional Manager. They can discuss the role with you and let you know whether there may be an opportunity to serve in your area.



More information about our area coordinators and EWTN's Regional Managers can be found on our website tab "ABOUT US" and also in our document resource section under "RESOURCE" tab. Please go to: ewtnmissionaries.com or call our office at:205-795-5771

Are You Receiving Our Emails? As an EWTN Media Missionary, you should normally receive only two emails each month to keep you informed about program news, resources, and opportunities. If you have provided us with your email address but are no longer receiving these messages, it's possible that you may have accidentally unsubscribed at some point. The good news is that it's easy to resubscribe! Simply locate any previous email you received from EWTN, scroll to the bottom, and click the "Manage Preferences" or "Unsubscribe/Resubscribe" link. From there, you can update your subscription settings to ensure you continue receiving Media Missionary communications. **If you have any difficulty resubscribing, please contact our office and we will be happy to help.**
